Notice Date: April 7, 2022
To: Indiana Marketplace Providers
From: CareSource
Subject: Clarification on Billing Requirements for Place of Service 10

Summary

CareSource would like to clarify the billing requirements for Place of Service 10.

CareSource processes claims in alignment with the Medicare fee schedule and follows coding guidance published by CMS. In accordance with the [policy published by CMS](#), Place of Service (POS) 10 will be covered for dates of service of Jan. 1, 2022.

Importance

Providers are encouraged to review the correct coding requirements and utilize the place of service when using telehealth to deliver care.

POS 02 - Telehealth Provided Other than in Patient's Home (Jan. 1, 2017): The location where health services and health related services are provided or received, through telecommunication technology. **Patient is not located in their home** when receiving health services or health related services through telecommunication technology.

POS 10 - Telehealth Provided in Patient's Home (Jan. 1, 2022): The location where health services and health related services are provided or received, through telecommunication technology. Patient is located in their home (which is a location other than a hospital or other facility where the patient receives care in a private residence) when receiving health services or health related services through telecommunication technology.
