

## **Network Notification**

**Notice Date:** March 27, 2019  
**To:** Indiana Marketplace Providers  
**From:** CareSource  
**Subject:** Protecting Members and Reducing the Spread of COVID-19

---

### **Summary**

CareSource is committed to protecting our members and reducing the spread of the coronavirus disease, or COVID-19, and we want to share this information with our providers.

### **Impact**

According to the U.S. Centers for Disease Control and Prevention (CDC), older adults and people with multiple chronic conditions are at higher risk for more symptomatic disease. Many CareSource members are living with multiple chronic conditions, which potentially puts them at a greater risk.

For the latest news and guidance on the virus, please visit the [Centers for Disease Control and Prevention \(CDC\)](#) website. For Indiana providers, CareSource advises using the CDC and the [Indiana State Department of Health \(ISDH\)](#) websites as references concerning this disease.

CareSource will communicate more information aligned with CDC and state guidance as it is released.

### **Resources**

Ensuring that testing and prevention are in alignment with ISDH and CDC guidelines is critical to ensure members' health. Access these IDH links for more information:
