

CARESOURCE CLINICAL PRACTICE REGISTRY

The Perfect Tool to Streamline Your Practice!

The CareSource Clinical Practice Registry is an online tool available to health partners to identify and prioritize needed health care services, screening, and tests for CareSource members. The Clinical Practice Registry is easy to access via the secure CareSource Provider Portal.

- **Identify gaps in care:** View preventive service history and easily identify HEDIS® (Healthcare Effectiveness Data and Information Set) gaps in care to discuss during appointments
- **Holistically address patient care:** Receive alerts when CareSource members need tests or screenings, review member appointment histories and view their prescriptions
- **Improve clinical outcomes:** Easily sort CareSource members into actionable groups for population management

The screenshot shows a web interface with several filter dropdowns at the top: 'Select State' (All, Georgia, Indiana), 'Select Plans' (All, Marketplace, Medicaid), 'Select Measures' (All, Adult Access, Asthma Control, Blood Pressure), 'Select Criteria' (All, Red, Yellow), 'Select Patient Status' (All, Established, New), and 'Select Enrollment Status' (All, Continuous, Recent). Below these is a 'Select Attribution Type' dropdown (All, Assigned as PCP, Attributed as PCP via Claims). A pagination bar shows 'Page 1' with numbers 1-10. The main table has columns for Attribution Type, Member Rank, Member ID, DOB, Sex, Race, Plan, LID, Adult Access, Address, Care, Rate, Blood Cancer, Cervical Cancer, Colorectal Cancer, Chlamydia, Eye Exam, FIC, Primary Care, BP, Lead, # of Visits, DOB, and Multi Care. The table contains three rows of data with colored cells: red for 'Adult Access' and 'Multi Care', green for 'Blood Cancer', 'Colorectal Cancer', 'Eye Exam', 'Primary Care', and 'BP', and grey for other cells.

The registry is color-coded, so you can easily identify areas of focus for your patients:

Green Service was rendered

Yellow Service needed

Red Service past due

Grey Not applicable

The registry includes information on but not limited to the following quality measures:

- Adult access
- Breast cancer screening
- Cervical cancer screening
- Colorectal cancer screening
- Chlamydia screening
- Diabetes
- Emergency room visits
- Lead screening
- Well-care visit

How to Access the CareSource Clinical Practice Registry

Health partners will need to register for the CareSource Provider Portal to access the Clinical Practice Registry.

Provider Portal Registered Users

1. Visit www.caresource.com/in/providers/provider-portal/
2. Enter your username and password, then click the **Log In** button.
3. Select the **Member Reports** menu on the left to locate the **Clinical Practice Registry** link. Click on Clinical Practice Registry to obtain access.
4. Select the appropriate primary care provider in the **Providers drop-down menu**. The patient data for the members attributed to the selected PCP will display.

How to Register for the CareSource Provider Portal

1. Visit www.caresource.com/in/providers/provider-portal/
2. Click on **Register Now** and follow these three easy steps to complete your User Registration
 - **Step 1:** Enter your Provider Name, Tax ID, CareSource Provider ID (found in your welcome letter) and Zip Code.
 - **Step 2:** Review and accept the agreement.
 - **Step 3:** Create your username and password.

Please note your username and password so you can use it to access CareSource's Clinical Practice Registry and the many other helpful tools available on the portal.

Visit the CareSource secure online Provider Portal and see how the CareSource Clinical Practice Registry can easily fit into your daily workflow and help improve patient outcomes!
