**RE: INDIANA MEDICAID STATEWIDE UNIFORM PREFERRED DRUG LIST EFFECTIVE
JULY 5, 2023**

Dear <Parent or Guardian of> <First Name> <Last Name>,

CareSource will use the Indiana Medicaid Statewide Uniform Preferred Drug List (SUPDL) starting July 5, 2023. The SUPDL is a list of preferred and nonpreferred medications. All Indiana Medicaid plans will now use this list. This change will help you and your provider know which medications are preferred to make filling your prescriptions easier.

We will contact your health care provider if you need to change to a preferred medication on the SUPDL. You can fill your current medication for up to 90 days after July 5, 2023. This gives your provider time to make the change or request a prior authorization. Talk with your health care provider about how the SUPDL may impact your medications.

Please call Member Services at 1-844-607-2829 (TTY: 1-800-743-3333 or 711) if you have questions. We are open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time. We are here for you. Your health care is our priority.

Sincerely,

CareSource RxInnovations
