

# Are you a tobacco user?

CareSource can help you quit.

Tobacco use includes smoking cigarettes, vaping, hookah, and more. It can also include chewing tobacco or snuff. Using tobacco in any form can harm your health. It can even cause diseases that can lead to death. These CareSource benefits can help you stop using tobacco:

- Medical and behavioral health counseling from in-network providers
- Prescribed medications to help you stop using tobacco
- MyHealth, an online health tool and rewards program

## MyHealth

Sign up or log into your personal account at **MyCareSource.com**. Through MyHealth, you can:

- Learn more about the dangers of tobacco use.
- Get tips on how to stop using tobacco.
- Earn up to \$200 in rewards for taking steps towards quitting!

Take the Health Needs Screening (HNS). This can help you see how to improve your overall health. You can also earn a \$30 Walmart® gift card\*!

*\* HNS must be completed within the first 90 days with CareSource.*
