Effective Date: July 5, 2023

Summary

Effective July 5, 2023, CareSource will adopt a Statewide Uniform Preferred Drug List (SUPDL) for Indiana Medicaid. Impact

Indiana Medicaid providers will have 90 days after the July 5, 2023 SUPDL implementation to transition members utilizing non-preferred products to preferred SUPDL products. You will receive notification of patients who are potentially impacted by the SUPDL initiative through the mail beginning June 5, 2023.

Importance

By working together to shift members to preferred SUPDL products, we can ensure continuity of care and the highest quality of service for our members.
