Notice Date: November 3, 2025
To: Indiana Medicaid Providers
From: CareSource
Subject: Pre-eclampsia Resources Now Available!

Summary

CareSource wants to equip you with resources to provide the best service for our members.

Pre-eclampsia Resources are now available on the website and contain tools to assist you in managing pregnant members at risk for pre-eclampsia.

- Pre-eclampsia Toolkit - Resources and support for pregnant CareSource members with hypertensive disorders:
 - Self-measured blood pressure
 - Low-dose aspirin therapy
 - In-home nursing support
- Pre-eclampsia Services – Prescription for home administration
- Pre-eclampsia Fact Sheet – Nursing surveillance with remote patient monitoring

You can learn more about these services offered to our members by visiting: **CareSource.com** > Providers > Tools-resources > [Quick Reference Materials](#).

Questions?

CareSource Mom and Baby Beginning (MBB) is a care management program that employs a multi-disciplinary team with extensive expertise in obstetrics. Our dedicated team includes nurses, nurse practitioners, social workers, behavioral health specialists, and lactation consultants. Providers may call, or members can self-refer to MBB at **1-833-230-2034** (TTY:711) Monday through Friday from 8 a.m. to 5 p.m. Eastern Time (ET). After hours, providers can leave a voicemail or email MBB@CareSource.com.
