Subject: *Did You Know?* CareSource's Maternal Child Program

Did You Know?

CareSource offers a Maternal Child Program for members specific to the health and wellbeing of women and children. Please access the [CareSource Maternal Child Program](#) Flier for more details on the program.

Importance

CareSource believes that partnering with our providers is the most successful route to engaging members in programs and services that improve their health and well-being. Our goal is to keep you updated on our enhanced programs and services that address member health, mental health, and social determinants of health. We encourage you to refer members to our programs as you identify their needs for care and support.
