Dear CareSource member,

Summer is almost over. That means a new school year will start soon. Schools require that all shots are up to date before the first day of school.

Teens and young adults need immunizations, too! Each year children, teens and young adults ages 4 to 21 should visit their doctor or PCP to have a yearly well visit. For members under the age of 21 years, this well visit is called a HealthWatch exam.

You should call your/your child's doctor to ask if it is time for these services:

<u>Age</u>	<u>Recommendations</u>
4-6	Yearly HealthWatch exam (well visit) Dental, eyesight, & hearing testing Blood lead test if never tested A review of your child's shot record to get any that his/her school needs your child to get Yearly flu shot
