**Re: Summary of PDL Changes Effective May 1, 2018**

**Dear CareSource Member:**

Your health care is our priority. That is why we are writing to tell you that on May 1, 2018, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

**THE FOLLOWING MEDICINES HAVE A CHANGE IN STATUS EFFECTIVE MAY 1, 2018.**

<b>Brand Name</b>	<b>Generic Name</b>	<b>Dose(s)</b>	<b>Notes</b>
ParaGard	Intrauterine copper contraceptive		Available as medical benefit only
Mirena	Levonorgestrel-releasing intrauterine system	52 mg	Available as medical benefit only
Kyleena	Levonorgestrel-releasing intrauterine system	19.5 mg	Available as medical benefit only
Liletta	Levonorgestrel-releasing intrauterine system	52 mg	Available as medical benefit only
Skyla	Levonorgestrel-releasing intrauterine system	13.5 mg	Available as medical benefit only

**What should you do?**

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at CareSource.com. Go to the Pharmacy page and click on “Preferred Drug List”.
- Or, you can call our Member Services Department at 1-844-607-2829 (TTY: 1-800-743-3333 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 8 a.m. to 8 p.m.

Sincerely,

CareSource Pharmacy Department
