**Re: Summary of PDL Changes Effective April 1, 2018**

**Dear CareSource Member:**

Your health care is our priority. That is why we are writing to tell you that on April 1, 2018, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

**THE FOLLOWING MEDICINES WILL BE NON-PREFERRED ON THE PDL FOR CURRENT USERS EFFECTIVE APRIL 1, 2018.**

<b>Brand Name</b>	<b>Generic Name</b>	<b>Dose(s)</b>	<b>Notes</b>
LANTUS	Insulin glargine	100 units/mL	Lantus became non-preferred on the PDL on January 1 <sup>st</sup> , 2017, for new users only. All current users are expected to switch to a preferred drug such as Basaglar or Tresiba by April 1 <sup>st</sup> , 2018.

**What should you do?**

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at CareSource.com. Go to the Pharmacy page and click on “Preferred Drug List”.
- Or, you can call our Member Services Department at 1-844-607-2829 (TTY: 1-800-743-3333 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 8 a.m. to 8 p.m.

Sincerely,

CareSource Pharmacy Department
