**Re: Summary of PDL Changes Effective August 1, 2022**

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on August 1, 2022, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

**THE FOLLOWING MEDICINES WILL BE NON-PREFERRED ON THE PDL EFFECTIVE AUGUST 1, 2022.**

Brand Name	Generic Name	Dose(s)	Notes
Bosentan	Bosentan	62.5 mg, 125 mg	Preferred Product: Ambrisentan
Letairis	Ambrisentan	5 mg, 10 mg	Preferred Product: Ambrisentan
Opsumit	Macitentan	10 mg	Preferred Product: Ambrisentan
Tracleer	Bosentan	62.5 mg, 125 mg	Preferred Product: Ambrisentan

**What should you do?**

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-844-607-2829 (TTY: 1-800-743-3333 or 711)**.

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 8 a.m. to 8 p.m.

Sincerely,

CareSource RX Innovations
