

CARESOURCE CLINICAL PRACTICE REGISTRY

The Perfect Tool to Streamline Your Practice!

The CareSource Clinical Practice Registry is an online tool available to health partners to identify and prioritize needed health care services, screening, and tests for CareSource members. The Clinical Practice Registry is easy to access via the secure CareSource Provider Portal.

- **Identify gaps in care:** View preventive service history and easily identify HEDIS® (Healthcare Effectiveness Data and Information Set) gaps in care to discuss during appointments.
- **Holistically address patient care:** Receive alerts when CareSource members need tests or screenings, review member appointment histories and view their prescriptions.
- **Improve clinical outcomes:** Easily sort CareSource members into actionable groups for population management.
