**Notice Date:** May 19, 2022  
**To:** Indiana Marketplace and Medicaid Providers  
**From:** CareSource  
**Subject:** Chiropractic Manipulative Treatment and Rehabilitation Services

---

## **Summary**

CPT code 97112, 97124 and 97140 are not separately reportable with Spinal Manipulations codes 98940 – 98943.

## **Impact**

If the physical medicine and rehab services are performed in a different region than the Manipulation, the provider may report both services with the use of the 59 or XS modifier, and distinct first listed diagnosis code for each service. This will help insure bypass of bundling edit. If physical medicine and rehab services are performed in the same region as the Manipulation, they will be denied.
