

## **Network Notification**

**Notice Date:** November 12, 2019  
**To:** Indiana Medicaid Providers  
**From:** CareSource  
**Subject:** Occurrence Code Reminder

---

### **Summary**

CareSource would like to remind providers of correct coding for Indiana Medicaid lines of business. As mentioned in Indiana Health Coverage Programs (IHCP) banner [BR201711](#), facility claims must include HIPAA-compliant occurrence codes.

### **Impact**

Upon encounter of claim submission to DXC Technology, CareSource has discovered a number of claims that were submitted without the appropriate discharge code. Claims that are not compliant with Indiana Medicaid billing guidance may be subject to recoupment.

### **Importance**

Live discharges occurring on or after Feb. 13, 2017 should be billed with occurrence code 42—*Date of discharge*. As a reminder, claims for members with a discharge due to death should continue to be billed with occurrence code 55—*Date of death*.
