**Date: March 10, 2105**

**To: Just4Me™ Health Partners**

**From: CareSource®**

**Subject: EDI Submission of Corrected Claims**

---

For faster processing and payment, you can submit corrected claims electronically. CareSource accepts electronically submitted, corrected Professional EDI 837P 005010X222A1 (CMS-1500 equivalent) and 837I 005010X223A2 Facility (UB-04 equivalent) claims.

To make it easier to submit corrected claims electronically, please use the following instructions:

- Submit the corrected claims in the nationally-recognized Electronic Data Interchange (EDI) 837 file format.
- Use the CareSource payer ID number: KYCS1
- Use an EDI 837 Loop 2300 CLM 05-3 value of "7" (Replacement).
- **Carry over the Original Reference No./Claim No. (12-character data) on the REF 02 data element with a Qualifier "F8" on Loop 2300.** Inclusion of the original claim number allows your corrected claim to auto adjudicate, resulting in faster payment.

Please Note: If you submit corrected claims on paper, the top of the claim must be stamped or marked as "CORRECTED." Paper claims not prominently marked as "CORRECTED" may be rejected and/or denied as duplicate claims.

CareSource is providing this information as part of our ongoing commitment to timely and clearly-articulated communication of policy and process changes. The information in this notification supplements current policies, including those listed in the CareSource Just4Me Health Partner Manual.
