Re: Summary of PDL Changes Effective October 1, 2018

Dear Humana – CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on October 1, 2018, Humana – CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES WILL BE NON-PREFERRED ON THE PDL FOR CURRENT USERS EFFECTIVE OCTOBER 1, 2018.

Brand Name	Generic Name	Dose(s)	Notes
LANTUS	Insulin glargine	100 units/mL	Lantus became non-preferred on the PDL on January 1, 2018. All current users are expected to switch to a preferred-brand drug, such as Basaglar or Tresiba, by October 1, 2018.

What should you do?

First, talk to your prescriber. There may be other medicines on the Humana – CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at CareSource.com. Go to the Pharmacy page and click on “Preferred Drug List”.
- Or, call our Member Services Department 1-855-852-7005 (TTY: 1-800-648-6056 or 711), Monday – Friday, 7 a.m. to 7 p.m. EST.

We are here to help you. The Humana – CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

Humana – CareSource Pharmacy Department
