

Network Notification

Date: March 21, 2013

Number: KY-P-2013-01

To: Kentucky Providers

From: Humana – CareSource™

Subject: Humana – CareSource Information Now Available on Availity®

Effective immediately, Humana – CareSource-participating health care providers may access Humana – CareSource member information on the Availity® portal at www.availity.com (registration required).

The Availity website can be used for eligibility and claim status checks. Please Note: Health care providers may also access this information on the Humana – CareSource provider portal at <https://www.caresource.com/providers/kentucky/provider-portal/> (registration required).

The Availity option will help health care providers access Humana – CareSource information and other health insurance information all in one location.

If you would like more information about Humana – CareSource, call Humana – CareSource Provider Services at 1-855-852-7005 or visit www.caresource.com/KY.

For more information about Availity, call **1-800-AVAILITY (1-800-282-4548)** or visit www.availity.com.
