Highlights

Annual Deductible*	Individual: \$5,400 Family: \$10,800
Coinsurance	50%
Annual Out-of-Pocket Maximum** (includes deductible, coinsurance, and copays)	Individual: \$7,000 Family: \$14,000

* See Section 2: Evidence of Coverage for the Definition of Annual Deductible or Deductible. For individual coverage, you are responsible for paying the first \$5,400 of covered services each benefit year before CareSource begins to pay for any covered service where the Annual Deductible applies. For family coverage, you are responsible for paying the first \$10,800 for covered services for your entire family each benefit year before CareSource begins to pay for any covered service where the Annual Deductible applies. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Deductible is the individual Deductible amount, in this case \$5,400 up to the family maximum of \$10,800. The Annual Deductible applies to covered services identified as “after deductible” in the Covered Service table below.

** See Section 2: Evidence of Coverage for the Definition of Annual Out-of-Pocket Maximum. For family coverage, each individual covered member within your family is contributing toward the family Annual Out-of-Pocket Maximum. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Annual Out-of-Pocket Maximum is the individual Out-of-Pocket Maximum, which is \$7,000. Your Evidence of Coverage explains which benefits accrue to your Out-of-Pocket Maximum.

Prior Authorization: Some services and items require prior authorization, which is the process used by the Plan to determine if it meets medical necessity and coverage requirements prior to the service being provided. The provider, or the member when using an out-of-network provider, is responsible for obtaining prior authorization for the services and items described on the prior authorization list. Please refer to the prior authorization list attached to your Evidence of Coverage for additional detail or you can obtain the list at www.caresource.com/mp-GA-pa.

This Schedule of Benefits is a summary of your financial responsibility when you receive health care services from a physician, pharmacy, facility, or other provider. All covered services are subject to the conditions, exclusions, limitations, terms, and rules of the Evidence of Coverage including any rider/enhancements or amendments. Except as otherwise provided in the Evidence of Coverage, covered services must be provided to you by a network provider and medically necessary. The Plan does not cover all health care service expenses. In the event of any discrepancy between this Schedule of Benefits and your Evidence of Coverage, the Evidence of Coverage shall control. For more detailed information about your covered services, please refer to the Evidence of Coverage at www.caresource.com/marketplace.

For covered services listed in the Evidence of Coverage that are not specifically listed on this Schedule of Benefits, the cost sharing is equal to the coinsurance after the deductible.

The copays and coinsurance listed in the 'You Pay' column would only apply if the item or service is not furnished directly by a provider meeting the criteria outlined below, otherwise there would be no cost to you.

- 1) an Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization (each as defined in 25 U.S.C. 1603);
- 2) a provider who was referred by one of the organizations listed in item 1.

Your CareSource marketplace plan was designed to meet certain requirements set by the Internal Revenue Service and qualifies as a high deductible health plan (HDHP). As such, your CareSource marketplace plan is compatible for use with a Health Savings Account (HSA). However, please be aware that CareSource is not offering or administering an HSA in conjunction with your CareSource marketplace HDHP. In addition, your enrollment in a CareSource marketplace HDHP is only one of the eligibility requirements for establishing and maintaining an HSA. You are responsible for determining whether you are eligible to establish an HSA. You should consult your financial, tax, or legal advisor for more information regarding your obligations and eligibility for establishing and maintaining an HSA.
