### Highlights

Annual Deductible*	Individual: \$750 Family: \$1,500
Coinsurance	20%
Annual Out-of-Pocket Maximum** (includes deductible, coinsurance, and copays)	Individual: \$3,000 Family: \$6,000

\* See Section 2: Evidence of Coverage for the Definition of Annual Deductible or Deductible. For individual coverage, you are responsible for paying the first \$750 of Covered Services each Benefit Year before CareSource begins to pay for any covered service where the Annual Deductible applies. For family coverage, you are responsible for paying the first \$1,500 for Covered Services for your entire family each Benefit Year before CareSource begins to pay for any covered service where the Annual Deductible applies. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Deductible is the individual Deductible amount, in this case \$750 up to the family maximum of \$1,500. The Annual Deductible applies to Covered Services identified as “after deductible” in the Covered Service table below.

\*\* See Section 2: Evidence of Coverage for the Definition of Annual Out-of-Pocket Maximum. For family coverage, each individual covered member within your family is contributing toward the family Annual Out-of-Pocket Maximum. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Annual Out-of-Pocket Maximum is the individual Out-of-Pocket Maximum, which is \$3,000. Your Evidence of Coverage explains which benefits accrue to your Out-of-Pocket Maximum.
