Prior Authorization: Some services and items require prior authorization, which is the process used by the Plan to determine if it meets medical necessity and coverage requirements prior to the service being provided. The provider, or the member when using an out-of-network provider, is responsible for obtaining prior authorization for the services and items described on the prior authorization list. Please refer to the prior authorization list attached to your Certificate of Coverage for additional detail or you can obtain the list at www.caresource.com/mp-WI-pa.

This Schedule of Benefits is a summary of your financial responsibility when you receive health care services from a physician, pharmacy, facility, or other provider. All Covered Services are subject to the conditions, exclusions, limitations, terms, and rules of the Certificate of Coverage including any rider/enhancements or amendments. Except as otherwise provided in the Certificate of Coverage, Covered Services must be provided to you by a network provider and medically necessary. The Plan does not cover all health care service expenses. In the event of any discrepancy between this Schedule of Benefits and your Certificate of Coverage, the Certificate of Coverage shall control. For more detailed information about your Covered Services, please refer to the Certificate of Coverage at www.caresource.com/marketplace.

For Covered Services listed in the Certificate of Coverage that are not specifically listed on this Schedule of Benefits, the cost sharing is equal to the coinsurance after the deductible.
