#### **What should you do?**

First, talk to your doctor. After February 28, 2018, these drugs will require prior authorization. You and your doctor can find which medicines are preferred in a few different ways:

- You can look on our website at [www.caresource.com/KY](http://www.caresource.com/KY). Go to the Pharmacy page and click on “Preferred Drug List”.
- Or, you can call our Member Services Department at **1-855-852-7005** (TTY 1-800-648-6056 or 711).

We are here to help you. The Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,
