2021 SUMMARY OF BENEFITS

Introduction

You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers for over 30 years. Our mission is to make a lasting difference in our members' lives by improving their health and well-being. CareSource Dual Advantage™ (HMO D-SNP) gives you more benefits, more savings, more care... and no hidden costs.

More benefits than basic Medicare

Our Medicare D-SNP plan (Part C) provides you with all the benefits of Part A and Part B, plus prescription drug coverage (Part D). But we're about more than basic Medicare. Our plan is designed to provide you with the best care, additional benefits such as dental and vision care, and save you money.

TIPS FOR COMPARING YOUR MEDICARE CHOICES

This Summary of Benefits booklet is a summary of what CareSource Dual Advantage covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <u>medicare.gov</u>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <u>medicare.gov</u> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

YOU HAVE CHOICES ABOUT HOW TO GET YOUR MEDICARE BENEFITS

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining CareSource Dual Advantage.

ABOUT THE PLAN

CareSource Dual Advantage is a Medicare Advantage HMO plan with a Medicare contract. To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed on page 3, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid. How much Medicaid covers depends on your income, resources and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

You can enroll in this plan if you are in one of these Medicaid categories:

- Qualified Medicare Beneficiary (QMB): You get Medicaid coverage of Medicare costshare but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayments amounts only. You pay nothing, except for Part D prescription drug copays.
- Qualified Medicare Beneficiary Plus (QMB+): You get Medicaid coverage of Medicare cost- share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayment amounts. You pay nothing, except for Part D prescription drug copays.
- Full Benefits Dual Eligible (FBDE): Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicaid coverage.

WHO CAN JOIN?

To join CareSource Dual Advantage you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. You must also be enrolled in Ohio Medicaid.

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

CareSource Dual Advantage has a network of doctors, hospitals, pharmacies and other providers. If you use providers not in our network, the Plan may not pay for those services.

MEDICAID BENEFITS

The following chart provides information for individuals with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Ohio Medicaid covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Coverage of the benefits described below depends upon your level of Medicaid eligibility. No matter what your level of Medicaid eligibility is, CareSource Dual Advantage will cover the benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call the Ohio Department of Medicaid, 1-800-324-8680.

Medicaid may pay your Medicare cost sharing amount, but it will depend on your Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share.
