2022 SUMMARY OF BENEFITS

Introduction

You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers for over 30 years. Our mission is to make a lasting difference in our members' lives by improving their health and well-being. CareSource Dual Advantage™ (HMO D-SNP) gives you more benefits, more savings, more care... and no hidden costs.

More benefits than basic Medicare

Our Medicare D-SNP plan (Part C) provides you with all the benefits of Part A and Part B, plus prescription drug coverage (Part D). But we're about more than basic Medicare. Our plan is designed to provide you with the best care, additional benefits such as dental and vision care, and save you money.

TIPS FOR COMPARING YOUR MEDICARE CHOICES

This Summary of Benefits booklet is a summary of what CareSource Dual Advantage covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets or use the Medicare Plan Finder on [medicare.gov](https://www.medicare.gov).
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at [medicare.gov](https://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

YOU HAVE CHOICES ABOUT HOW TO GET YOUR MEDICARE BENEFITS

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining CareSource Dual Advantage.

ABOUT THE PLAN

CareSource Dual Advantage is a Medicare Advantage HMO plan with a Medicare contract. To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed on page 3, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid. How much Medicaid covers depends on your income, resources and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

You can enroll in this plan if you are in one of these Medicaid categories:

- **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayments amounts only. You pay nothing, except for Part D prescription drug copays.
- **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayment amounts. You pay nothing, except for Part D prescription drug copays.
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease.

You must recertify your Medicaid enrollment to continue to receive your Medicaid coverage.

WHO CAN JOIN?

To join CareSource Dual Advantage you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. You must also be enrolled in Georgia Medicaid.

The CareSource Dual Advantage service area includes the following counties in Georgia:

Baldwin, Barrow, Cherokee, Fayette, Forsyth, Greene, Houston, Jackson, Madison, Monroe, Morgan, Newton, Oconee, Oglethorpe, Paulding, Peach, Putnam, Spalding, Walton

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

CareSource Dual Advantage has a network of doctors, hospitals, pharmacies and other providers. If you use providers not in our network, the Plan may not pay for those services.

You must use network pharmacies to fill your prescriptions for covered Part D drugs.

You can go to [CareSource.com/Medicare](https://www.caresource.com/Medicare) to view or search for a network provider or pharmacy using our online directories or call us and we will send you a copy of the Provider & Pharmacy Directory.

WHAT DO WE COVER?

Like all Medicare health plans, we cover everything that Original Medicare covers — and more. Some of the extra benefits are outlined in this booklet.

A complete list of services can be found in the Evidence of Coverage (EOC). A copy of the Evidence of Coverage can be sent to you by contacting Member Services or visiting [CareSource.com/Medicare](https://www.caresource.com/Medicare).

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

You can see the complete plan drug list (list of Part D drugs) and any restrictions on our website, [CareSource.com/Medicare](https://www.caresource.com/Medicare) or call us and we will send you a copy of the drug list.

MEDICAID BENEFITS

The following chart provides information for individuals with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Georgia Medicaid covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Coverage of the benefits described below depends upon your level of Medicaid eligibility. No matter what your level of Medicaid eligibility is, CareSource Dual Advantage will cover the benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Georgia Medicaid, 1-866-211-0950.

Medicaid may pay your Medicare cost sharing amount, but it will depend on your Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share.

HOW WILL I DETERMINE MY DRUG COSTS?

Our plans group each medication into one of six "tiers." You will need to use your drug list (formulary) to locate your drug tier to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Below are the benefits stages that occur.

THE FOUR STAGES OF DRUG COVERAGE

What you pay for your covered drugs depends, in part, on which coverage stage you are in.

Stage 1	Stage 2	Stage 3	Stage 4
Deductible	Initial Coverage	Coverage Gap	Catastrophic Coverage
<p>The CareSource Dual Advantage plan has a pharmacy deductible for prescriptions in Tiers 1, 2, 3, 4, and 5.</p> <p>You will pay the full cost of your prescription drugs in Tiers 1, 2, 3, 4, and 5 until you meet the deductible. Once you meet the deductible, you will move on to stage 2.</p>	<p>You pay the cost sharing on the following chart until your total yearly drug costs reach \$4,430. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.</p> <p>You may get your drugs at network retail pharmacies and mail order pharmacies.</p> <p>If you reside in a long-term care facility, you pay the same as at a retail pharmacy.</p> <p>You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.</p>	<p>Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430.</p> <p>After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,050, you pay the greater of:</p> <p>5% of the cost, or \$3.95 copay for generic (including brand drugs treated as generic) and a \$9.85 copayment for all other drugs.</p>
