# 2022 SUMMARY OF BENEFITS

# Introduction

# You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers for over 30 years. Our mission is to make a lasting difference in our members' lives by improving their health and well-being. CareSource Advantage® (HMO) gives you more benefits, more savings, more care... and no hidden costs.

## More benefits than basic Medicare.

Our Medicare CareSource Advantage plan (Part C) provides you with all the benefits of Part A and Part B, plus prescription drug coverage (Part D). But we're about more than basic Medicare. Our plan is designed to provide you with the best care, additional benefits such as dental and vision care, and save you money.

# TIPS FOR COMPARING YOUR MEDICARE CHOICES

This Summary of Benefits booklet is a summary of what CareSource Advantage covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets or use the Medicare Plan Finder on medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <a href="medicare.gov">medicare.gov</a> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

# YOU HAVE CHOICES ABOUT HOW TO GET YOUR MEDICARE BENEFITS

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan, such as CareSource Advantage.

## WHO CAN JOIN?

To join CareSource Advantage, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area.

The CareSource Advantage service area includes the following counties in Ohio:

Adams, Athens, Brown, Champaign, Clark, Columbiana, Darke, Defiance, Delaware, Fairfield, Fayette, Fulton, Gallia, Greene, Hamilton, Hocking, Huron, Lake, Lucas, Madison, Mahoning, Medina, Mercer, Miami, Monroe, Morgan, Muskingum, Pickaway, Richland, Sandusky, Seneca, Shelby, Trumbull, Union, Van Wert, Williams, Wood, Wyandot

# WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

CareSource Advantage has a network of doctors, hospitals, pharmacies and other providers. If you use providers not in our network, the Plan may not pay for those services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can go to <u>CareSource.com/Medicare</u> to view or search for a network provider or pharmacy using our online directories or call us and we will send you a copy of the Provider & Pharmacy Directory.

## WHAT DO WE COVER?

Like all Medicare health plans, we cover everything that Original Medicare covers — and more. Some of the extra benefits are outlined in this booklet.

A complete list of services can be found in the Evidence of Coverage (EOC). A copy of the Evidence of Coverage can be sent to you by contacting Member Services or visiting <a href="CareSource.com/Medicare">CareSource.com/Medicare</a>.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

You can see the complete plan drug list (list of Part D drugs) and any restrictions on our website, **CareSource.com/Medicare** or call us and we will send you a copy of the drug list.

# **Summary of Benefits**

# **HOW WILL I DETERMINE MY DRUG COSTS?**

Our plans group each medication into one of six "tiers." You will need to use your drug list (formulary) to locate your drug tier to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Below are the benefits stages that occur.

## THE FOUR STAGES OF DRUG COVERAGE

What you pay for your covered drugs depends, in part, on which coverage stage you are in.

Stage 1	Stage 2	Stage 3	Stage 4
Deductible	Initial Coverage	Coverage Gap	Catastrophic Coverage
The CareSource Advantage plan has a \$100 pharmacy deductible for prescriptions in Tiers 3, 4, and 5.  You will pay the full cost of your prescription drugs in Tiers 3, 4, and 5 until you meet the deductible. Once you meet the deductible, you will move on to stage 2.	You pay the cost sharing on the following chart until your total yearly drug costs reach \$4,430. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.  You may get your drugs at network retail pharmacies and mail order pharmacies.  If you reside in a long-term care facility, you pay the same as at a retail pharmacy.  You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.	Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430.  After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.	After your yearly out-of- pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,050, you pay the greater of:  5% of the cost, or \$3.95 copay for generic (including brand drugs treated as generic) and a \$9.85 copayment for all other drugs.

PRESCRIPTION DRUG BENEFITS (INITIAL COVERAGE)-IN-NETWORK ONLY		
	CareSource Advantage	
Part B Drugs <sup>1</sup> (such as chemotherapy)	20% coinsurance	
Part D Drugs — Retail <sup>1</sup>		
1-month supply or 3-month supply		
Tier 1 (Preferred Generic)	\$4 copay or \$12 copay	
Tier 2 (Generic)	\$10 copay or \$30 copay	
Tier 3 (Preferred Brand)	\$45 copay or \$135 copay	
Tier 4 (Non-Preferred Drug)	\$100 copay or \$300 copay	
Tier 5 (Specialty Tier)	31% of the total cost (3-month supply is not covered)	
Tier 6 (Select Care Drugs)	\$0 copay	
Part D Drugs — Standard Mail Order Cost-Sha	ring <sup>1</sup>	
3-month supply		
Tier 1 (Preferred Generic)	\$8 copay	
Tier 2 (Generic)	\$20 copay	
Tier 3 (Preferred Brand)	\$90 copay	
Tier 4 (Non-Preferred Brand)	\$200 copay	
Tier 5 (Specialty Tier)	Not covered	
Tier 6 (Select Care Drugs)	\$0 copay	

# Prescription drugs with a <sup>1</sup> may require prior authorization.

Cost-sharing may change depending on the pharmacy you choose, days' supply and when you enter another phase of the Part D benefit. For more information on the additional pharmacy specific cost-sharing and the phases of the benefit, please call us toll-free at **1-844-607-2827 (TTY: 711)** or access our website <a href="CareSource.com/Medicare">CareSource.com/Medicare</a>.
