## 2023 SUMMARY OF BENEFITS

## Introduction

## You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers like you for over 30 years. Our mission is to make a lasting difference in our members' lives by giving them resources to improve their health and well-being. CareSource Dual Advantage™ (HMO D-SNP) gives you more benefits, more savings, more care... and no hidden costs.

## More benefits than basic Medicare

The CareSource Dual Advantage plan (Part C) provides you with all the benefits of Part A and Part B, plus prescription drug coverage (Part D). But we offer more than just basic Medicare benefits. Our plan offers additional benefits such as preventive and comprehensive dental, vision care, and eyewear.

## New for 2023!

CareSource Dual Advantage now offers more to help you stay healthy and save money.

- \$0 copay for Tier 1 (Preferred Generic) drugs
- Enhanced hearing aid benefit at no additional cost
- Flex allowance debit card to use up to \$1,000 for supplemental hearing, vision, and dental services and accessories

## **TIPS FOR COMPARING YOUR MEDICARE CHOICES**

This Summary of Benefits booklet is a summary of what CareSource Dual Advantage covers and what you pay.

- If you want to compare our plan with other Medicare health plans in your area, use the Medicare Plan Finder on <u>medicare.gov</u>.
- If you want to know more about the coverage and costs of Original Medicare, look in the "Medicare & You" handbook. View it online at <u>medicare.gov</u> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## YOU HAVE CHOICES ABOUT HOW TO GET YOUR MEDICARE BENEFITS

- One choice is to get your Medicare benefits by joining CareSource Dual Advantage.
- Another choice is to get your Medicare through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.

## ABOUT THE PLAN

CareSource Dual Advantage is a Medicare Advantage Special Needs Plan (D-SNP) plan with a Medicare contract. This means that in addition to CareSource Dual Advantage coverage, Georgia Medicaid also shares some of the cost for your health care services.

How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must renew your Medicaid enrollment to continue to receive your Medicaid coverage.

## WHAT DO WE COVER?

With CareSource Dual Advantage, you will have coverage for services like inpatient hospital stays and preventive care. We also provide extra benefits that Original Medicare doesn't cover. To learn more about the benefits we offer, go to page 5.

A complete list of services can be found in the *Evidence of Coverage* (EOC). A copy of the *Evidence of Coverage* can be sent to you by contacting Member Services or visiting CareSource.com/DSNP.

You can see the complete list of covered Part D drugs (Formulary) and any restrictions on our website, <u>CareSource.com/DSNP</u> or call us and we will send you a copy of the drug list.

## WHO CAN JOIN?

To join CareSource Dual Advantage you must meet the following:

- Be entitled to Medicare Part A;
- Be enrolled in Medicare Part B;
- Be enrolled in one of the following:
  - Qualified Medicare Beneficiary (QMB): You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits.   - Qualified Medicare Beneficiary Plus (QMB+): You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts. You pay nothing, except for Part D prescription drug copays.
  - Full Benefits Dual Eligible (FBDE): Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally, your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
