2024 SUMMARY OF BENEFITS

Introduction

You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers like you for over 30 years. Our mission is to make a lasting difference in our members' lives by giving them resources to improve their health and well-being. CareSource Dual Advantage™ gives you more benefits, more savings, more care... and no hidden costs.

ABOUT THE PLAN

CareSource Dual Advantage is a Medicare Advantage Dual Eligible Special Needs Plan (D-SNP) plan with a Medicare contract. This means that in addition to CareSource Dual Advantage coverage, Georgia Medicaid also shares some of the cost for your health care services. How much Medicaid covers depends on your income, resources, and other factors.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. **You must renew your Medicaid enrollment to continue to receive your Medicaid coverage.**

WHO CAN JOIN?

To join CareSource Dual Advantage you must meet the following:

- Be entitled to Medicare Part A;
- Be enrolled in Medicare Part B;
- Be enrolled in one of the following:
 - **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayments amounts only. You pay nothing, except for Part D prescription drug copays.
 - **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts. You pay nothing, except for Part D prescription drug copays.

- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally, your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
- Be a United States citizen or lawfully present in the United States;
- Live in our plan's service area.

The CareSource Dual Advantage service area includes the following counties in Georgia:

Baldwin, Barrow, Cherokee, Fayette, Forsyth, Greene, Houston, Jackson, Madison, Monroe, Morgan, Newton, Oconee, Oglethorpe, Paulding, Peach, Putnam, Spalding, Walton

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

CareSource Dual Advantage has a network of doctors, hospitals, pharmacies, and other providers. If you use providers that are out of our network, the Plan may not pay for those services.

You must use network pharmacies to fill your prescriptions for covered Part D drugs.

You can go to **CareSource.com/DSNP** to view or search for a network provider or pharmacy using our online directories or call us and we will send you a copy of the *Provider & Pharmacy Directory*.
