First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- **You can look on our website at CareSource.com. Go to the Pharmacy page and click on “Preferred Drug List”.**
- **Or, you can call our Member Services Department at 1-844-607-2829 (TTY: 1-800-743-3333 or 711).**

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 8 a.m. to 8 p.m.

Sincerely,

CareSource Pharmacy Department
