Subject: **Availity Partnership**
Effective Date: **January 1, 2025**

Summary
Effective January 1, 2025, HAP CareSource is partnering with Availity as its electronic data interchange (EDI) gateway service. Availity will serve as the exclusive EDI gateway service for HAP CareSource Marketplace members.

Impact
Your HAP CareSource Marketplace EDI transactions – including claims submissions, eligibility status, and claim status verification, will be processed through Availity.

Importance
Please use the new Payer ID – **MICS1** – for the following HIPAA transactions:
- **837** – Professional and Institutional (Batch)
- **270/271** – Benefits and Eligibility Inquiry (Real Time)
- **276/277** – Claim Status Inquiry (Real Time)

Please ensure this information is updated in your billing systems and processes for accurate and timely claim submission.
