

How to spend your benefits

How to pay in store

Swipe your card at checkout or open the mobile app and have the cashier scan your barcode.

How to check if an item is covered

Use the product scanner in the mobile app to check if an item is covered by your benefits. You can do this in store or at home before you shop.

The items listed below are examples of what you can and cannot buy with your benefits. For more details, check your program guide or call the number on the back of your card.
