

Labeler Reference for National Drug Codes (NDCs) included under the Medicaid Drug Rebate Program

HAP CareSource™ participates in the Medicaid Health Plan Common Formulary. Under the Common Formulary, Medicaid Health Plan formulary coverage is limited to products with a National Drug Code (NDC) from manufacturers who participate in the Medicaid Drug Rebate Program (MDRP). The following MDRP reference is reproduced from the [Drug Manufacturer Contacts](#) reference located on [Medicaid.gov](#).

A manufacturer's labeler code is represented in the first five digits of a product's NDC. Formulary NDCs included under a manufacturer's labeler code are covered according to formulary coding established under the Common Formulary.

If a NDC for a non-MDRP participating labeler is adjudicated on a pharmacy claim, the National Council for Prescription Drug Program (NCPDP) error AC (Product Not Covered Non-Participating Manufacturer) will be included in the reject messaging.

HAP CareSource may consider making medical necessity accommodations for members who need a non-MDRP participating NDC when all formulary NDCs are unavailable. Prescribers must submit a prior authorization request through the HAP CareSource Prior Authorization fax line at **1-866-930-0019**. For urgent needs, pharmacies can call the HAP CareSource ESI Pharmacy help desk for assistance at **1-800-922-1557**.

Please note: This reference is up-to-date as of the date included in the footer below. Updates to the MDRP may occur multiple times each week. For a current list of additional updates, please visit the [New/Reinstated & Terminated Labeler Information](#) reference on the [Medicaid.gov](#) website. Medicaid Health Plans apply the optional effective date for new/reinstated labelers. Labelers listed for termination are removed from coverage according to the effective date presented on the Terminated Labelers table.
