What should you do?

First, talk to your doctor. There may be other drugs on the HAP CareSource drug list that you can take instead. There are a few ways you and your doctor can find covered drugs:

- You can look on our website at **HAPCareSource.com**. On the ***Members*** page, go to ***Tools & Resources*** and click on ***Find My Prescriptions***.
- Call Member Services at **1-833-230-2053** (TTY: 711).

We are here to help you. We are open 24 hours a day, seven days a week.

Sincerely,

HAP CareSource
