## HAP CareSource™ Now Offering Medicaid Plans and MI Health Link (Medicare-Medicaid Plan)!

In April 2023, we announced HAP and CareSource, an Ohio-based nonprofit managed care health plan, received regulatory approval to move forward with their joint-venture after a comprehensive review by state and federal regulatory agencies.

By joining the strengths of the two nonprofit organizations, HAP and CareSource are extending and enhancing a mission-based legacy of offering comprehensive health coverage, providing access to the best physicians, and delivering compassion and care through a combined Medicaid offering and planned re-entry to the health care Marketplace.

On October 1, 2023, HAP Empowered Medicaid Health Plan, Inc. became HAP CareSource. This includes members in Medicaid, MICHild, Healthy Michigan Plan, and Children's Special Healthcare Services plans. Members received new ID cards and there is a dedicated website ([HAPCareSource.com](https://HAPCareSource.com)).

On January 1, 2024: HAP Empowered MI Health Link Link became HAP CareSource MI Health Link.
