This summary shows in-network benefits only.

* See Section 13: *Evidence of Coverage Glossary* for the definition of annual deductible. For individual coverage, you are responsible for paying the first $5,700 of covered services each benefit year before CareSource begins to pay for any covered service where the annual deductible applies. For family coverage, you are responsible for paying the first $11,400 for covered services for your entire family each benefit year before CareSource begins to pay for any covered service where the annual deductible applies. However, for each individual covered member within your family, the maximum amount each member would pay towards the family deductible is the individual deductible amount, in this case $5,700 up to the family maximum of $11,400. The annual deductible applies to covered services not identified as "after deductible" in the Covered Service table below.

** See Section 13: *Evidence of Coverage Glossary* for the definition of annual out-of-pocket maximum. For family coverage, each individual covered member within your family is contributing towards the family annual out-of-pocket maximum. However, for each individual covered member within your family, the maximum amount each member would pay towards the family annual out-of-pocket maximum is the individual out-of-pocket maximum, which is $7,700.

Prior Authorization: Some health care services require prior authorization from the Plan. Prior authorization is the process used by the Plan to determine those health care services listed on the Plan's prior authorization list that meet evidence-based criteria for medical necessity and are covered services under the Plan prior to the health care service being provided. The provider (in-network or out-of-network) is responsible for obtaining prior authorization for the health care services described on the prior authorization list. Please refer to Chapter 2 of the Evidence of Coverage at **www.caresource.com/marketplace** for complete details after you are enrolled.

This Schedule of Benefits is a summary of your financial responsibility when you receive health care services from a physician, pharmacy, facility or other provider. All covered services are subject to the conditions, exclusions, limitations, terms and rules of the Evidence of Coverage including any rider/enhancements or amendments. Except as otherwise provided in the Evidence of Coverage, covered services must be provided to you by a network provider and medically necessary. The Plan does not cover all health care service expenses. In the event of any discrepancy between this Schedule of Benefits and your Evidence of Coverage, the Evidence of Coverage shall control. For more detailed information about your covered services, please refer to the Evidence of Coverage at **www.caresource.com/marketplace**.

For covered services listed in the Evidence of Coverage that are not specifically listed on this Schedule of Benefits, the cost sharing is equal to the coinsurance after deductible.
