What should you do?
First, talk to your prescriber. There may be other medicines on the CareSource Marketplace Drug Formulary that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at CareSource.com. Go to the Member’s page and click on “Find My Prescriptions” and then you can either download a complete list of the Formulary medications by clicking on “2019 Drug Formulary” or you may search by individual drugs following the “My Prescriptions” link.
- Or, call our Member Services Department at:
  - Indiana - 1-877-806-9284 (TTY: 800-743-3333 or 711)
  - Kentucky - 1-888-815-6446 (TTY: 800-648-6056 or 711)
  - Ohio - 1-800-479-9502 (TTY: 800-750-0750 or 711)
  - West Virginia - 1-855-202-0622 (TTY: 800-982-8771 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource Pharmacy Department
