What you should know

We know patient care is of the utmost importance to you. We are notifying our members of this change to help ensure their treatment plan is maintained. We have asked our members to contact their prescriber if they have questions.

Additional Resources

For the most up-to-date information, please utilize the [formulary search tools](#) online. To access the complete formulary, visit the Provider pages at [CareSource.com](#). You may find your patient's plan formulary by:

- Select the drop down option under "Show me information for" your state and your patient's type of insurance plan
- Click "Tools & Resources"
- Click the drug formulary link within the paragraph

We recognize each patient is unique and we appreciate your partnership in making this a successful transition. We are here to help you with any questions. Call the **CareSource Pharmacy Services** Department at **1-800-479-9502**. The Department is open Monday through Friday, 8 a.m. to 5 p.m. Thank you for being a CareSource health partner.
