

Agent and Broker Compensation Disclosure

The Consolidated Appropriations Act was signed into law by the president on December 27, 2020. This act stipulates multiple mandates to provide greater transparency related to health care cost information, including agent and broker compensation.

CareSource Management Services LLC, on behalf of itself and its Affiliates (“CareSource”), will comply with the Consolidated Appropriations Act requirements for agent and broker compensation disclosure.

Beginning January 1, 2022, all agents and brokers contracted to sell CareSource plans are required to disclose direct and indirect compensation information to consumers. **DIRECT** compensation is commission payable/directly attributable for the sale of such plans. **INDIRECT** compensation is payment by CareSource to agents or brokers, other than for commissions. For example, this type of compensation includes service fees, consulting fees, awards, prizes, incentives or other non-monetary forms of compensation.
