

NETWORK *Notification*

Notice Date: April 1, 2022
To: Marketplace Providers
From: CareSource
Subject: Billing Update: Medicare Bundled Services
Effective Date: April 1, 2022

Summary

Effective April 1, 2022, CareSource, in accordance with Centers for Medicare & Medicaid Services (CMS) guidance, will begin to deny claims for the following services:

- Services that are covered but should be bundled into the payment for other related services (these services will not be separately reimbursed)
- Therapy services that are not billed with a physical therapy, occupational therapy, or speech therapy modifier
