

Re: Summary of Formulary Changes Effective March 17, 2025

Dear Health Partner,

We are dedicated to partnering with you to manage our members' care in the most effective way. The CareSource Marketplace Pharmacy and Therapeutics (P&T) Committee meets regularly to review the Marketplace Drug Formulary and make updates as necessary.

The P&T Committee met recently to update the Formulary. Please review the tables below to see how the Formulary is changing. Additional information about viewing the full Formulary and drug-specific criteria and policies is found at the end of this notice.

Drugs in this table will be added to the Formulary effective March 17, 2025:
