Notice Date: January 11, 2022
To: CareSource Providers
From: CareSource
Subject: Correct Coding Claims Update
Effective Date: February 2, 2022

Summary

On Feb. 2, 2022, CareSource, in accordance with Centers for Medicare & Medicaid Services (CMS) guidance, will begin denying claim lines when CPT codes that require a laterality or anatomical modifier based on the MPFS are not billed with the appropriate modifier.

CMS has published guidance on this requirement in the [Medicare Claims Processing Manual](#).
