Proveedores

Cómo comenzar con CareSource MyCare Ohio

CareSource MyCare Ohio se asegura de que usted tenga el cuidado que necesita. Nos aseguramos que usted tenga un Equipo de atención integrada. Este equipo está liderado por un Director de atención que se asegura que su equipo médico, proveedores de la salud mental y los servicios y apoyos a largo plazo (LTSS por sus siglas en inglés) funcionen de manera conjunta. Y es usted el centro de todas las decisiones que toma el equipo. El Equipo de atención integrada participa y apoya las tareas centrales de la gerencia. Estas tareas incluyen: controles médicos, desarrollar el plan de salud, poner en práctica el plan y hacer los cambios que sean necesario en el plan de salud. El Director de atención dirige y apoya estas actividades.

En esta sección se explican las tareas centrales que usted verá en nuestro Directorio de proveedores y farmacias.

- Los **Proveedores** son médicos, enfermeros/as, farmacéuticos, terapeutas, y otras personas que proveen cuidados y servicios. Los **Servicios** incluyen: atención médica, servicios y apoyo a largo plazo, servicios, suplementos, medicamentos con receta, equipos y otros servicios.
 - o El término *proveedor* también incluye hospitales, clínicas, y otros lugares que brindan servicios médicos, equipos médicos y servicios y apoyo a largo plazo.
 - o Los proveedores que son parte de la red de nuestro plan son los **proveedores de la red**.
- Los **proveedores de la red** son los proveedores que tienen contratos con nosotros para brindar asistencia a los miembros de nuestro plan. Los proveedores en nuestra red, por lo general, nos facturan directamente por la atención médica que le brindan. Cuando usted consulta a un proveedor de la red, por lo general, solo paga su parte del costo por los servicios cubiertos.
- Un **Proveedor de atención primaria (PCP)** es un médico individual, grupo médico, un/una enfermero(a) profesional avanzado (APRN en inglés) o el asistente de un médico (PA en inglés) o un especialista en la salud de la mujer entrenado en medicina familiar (práctica general), medicina interna o pediatría que le brinde atención médica de rutina. Su proveedor de atención primaria (PCP) guardará sus expedientes médicos y, con el paso del tiempo, llegará a conocer su salud y sus necesidades.

Si tiene dudas, llame a CareSource MyCare Ohio al 1-855-475-3163, de lunes a viernes de 8:00 a.m. a 8:00 p.m. Horario estándar del este (EST). La llamada no tiene costo. **Para más información**, visite [CareSource.com/MyCare](https://www.caresource.com/MyCare).

- Los **Especialistas** son médicos que brindan servicios de atención médica para una enfermedad o parte del cuerpo en particular. Existen varios tipos de especialistas. Aquí citamos algunos ejemplos:
 - o **Oncólogos**, quienes atienden a pacientes con cáncer.
 - o **Cardiólogos**, quienes atienden a pacientes con afecciones cardíacas.
 - o **Ortopedistas**, quienes atienden a pacientes con ciertas afecciones en los huesos, articulaciones o músculos.
- También tiene acceso al **Director de atención** y al **Equipo de atención** que usted elija. Su proveedor de atención primaria (PCP) trabajará cerca de su Director de atención y su equipo de atención.
 - o Su Director de atención le brindará ayuda para manejar todos sus proveedores y servicios. Él o ella trabajará con su equipo de atención para asegurarse que usted reciba el cuidado que necesita.
 - o Su equipo de atención incluye a las personas que usted necesita para brindarle apoyo en su plan de salud y en sus necesidades individuales de atención médica. Su equipo puede incluir un proveedor de atención primaria (PCP), un Director de atención, una farmacia, servicios sociales, un proveedor de la salud mental, y familia y/o cuidadores principales que usted elija. Todos los integrantes del equipo de atención trabajan juntos para asegurarse de que su atención sea coordinada. Esto quiere decir que ellos se aseguran que las pruebas y los análisis se realicen y que los resultados se compartan con los proveedores indicados. También significa que su proveedor de atención primaria (PCP) debe conocer todos los medicamentos que usted toma para que pueda reducir cualquier efecto negativo. Su proveedor de atención primaria (PCP) siempre pedirá su autorización antes de compartir su información médica con otros proveedores.
