From: CareSource

Subject: MyCare Educational Forums

CareSource MyCare Ohio is offering Provider Educational Forums to help providers gain a better understanding of CareSource's systems and online tools. These forums are designed to help you:

- Use your time more efficiently and effectively
- Better integrate and coordinate patient care

These one-hour forums for Behavioral Health, Non-Traditional and Transportation providers have been scheduled for Aug. 14, 20 and 28, and Sept. 5 in Cleveland. A limited number of 30-minute, one-on-one tutorials are also available on those dates.

Attend a forum and learn how to:

- Navigate CareSource's provider portal
- Submit a claim
- Submit a patient care plan (for Non-Traditional and Transportation providers)

Sign up today. Seating is limited. View the [MyCare Educational Forums flier](#) for more information and sign-up instructions.
