**Notice Date:** October 3, 2022  
**To:** Indiana Medicaid Health Partners  
**From:** CareSource  
**Subject:** CLIA-Waived Tests Update  
**Effective Date:** December 2, 2022

---

## Summary

Beginning on Dec. 2, 2022, CareSource will deny Clinical Laboratory Improvement Amendments (CLIA)-waived tests billed in an office setting (place of service 11) when the appropriate QW modifier is not appended. This information is in accordance with the CLIA Guidance Portal from [hhs.gov](https://www.hhs.gov).

## Impact & Importance

Inclusion of the QW modifier is necessary to evaluate the claim to determine the eligibility of services performed based on CLIA-waived testing. Additional information regarding the categorization of laboratory tests by CLIA may be found on [hhs.gov](https://www.hhs.gov). Please see the [Clinical Laboratory Fee Schedule Files | CMS](#) to access the laboratory fee schedule utilized by CMS and Indiana Medicaid.

## Questions?

Please contact Health Partner Services at **1-844-607-2831** with any questions. Hours of operation are Monday through Friday from 8 a.m. to 8 p.m., Eastern Standard Time (EST).

## New Training Available - Access and Availability overview!

“Assignment” and “attribution” are terms that refer to the association between members and providers, but they are not interchangeable. CareSource has prepared a summary document to define these terms and describe the attribution process. Visit [CareSource.com](https://www.caresource.com) > Providers > Education > [Training and Events](#) to view this flier.
