**Re: Multiple Outpatient Claims Effective Date: August 5, 2025**

---

### **Summary**

Starting August 5, 2025, per the CGHC Provider Manual and the Centers for Medicare and Medicaid Services (CMS) Claims Processing Manual, Bill Type 0131 should represent all services rendered during the outpatient stay for a given patient.

### **Impact**

CGHC will deny outpatient claims with Bill Type 0131 that occur after another outpatient claim with 0131 has already been billed for the same patient, by the same facility, and for the same date(s) of service. Outpatient corrected claims should be billed with Bill Type 0137 or Bill Type 0138.
