Subject: New Genetic Testing - Polymerase Chain Reaction Payment Policy

CareSource has initiated a new [Genetic Testing - Polymerase Chain Reaction Payment Policy](#) which will be effective 9/26/2016. The updated policy can be viewed from the link above; it is posted on our website and is available on our [payment policies page](#).

These services do not require prior authorization, however, ICD10 and CPT coding relationships on indications for selected tests are in line with updated recommendations from the United States Centers for Disease Control, The Infectious Diseases Society of America, the National Comprehensive Cancer Network, and other authorities.
