Subject: New Online Drug Formulary Search Tool

Humana – CareSource™ continues to develop new tools to make it easier and faster for health care providers to use our services. To that end, Humana – CareSource developed a new, easy-to-use online drug formulary search tool that is now available at the following website: www.caresource.com/providers/kentucky.

Prescribers can use the formulary search tool to complete the following tasks:

- Search for medications quickly to confirm coverage
- Check for generic alternatives and prior authorization requirements
- Identify restrictions or limits that may apply

Drugs covered by Humana – CareSource formularies can be searched in the following ways:

- Alphabetically
- By brand or generic name
- By therapeutic class

To use the new online tool today, visit our [Pharmacy Searchable Drug Formulary Web page \(https://www.caresource.com/providers/kentucky/member-care/pharmacy/searchable-drug-formulary/\)](https://www.caresource.com/providers/kentucky/member-care/pharmacy/searchable-drug-formulary/).

If you have questions, please call our Provider Services Department at 1-855-852-7005, Monday through Friday, 8 a.m. to 6 p.m. EST.
