

BENEFITS GUIDE

Nevada 2026

As a Health Insurance Marketplace-qualified health plan, CareSource offers individual and family coverage for all the essential health benefits required by the Affordable Care Act (ACA) – including pediatric vision services. Plus, Marketplace plans cover people with pre-existing conditions* and don’t carry any lifetime coverage caps for most benefits. At CareSource, we offer a range of plans that enable you to balance your needs between the premium and out-of-pocket cost of health care.
