# CARESOURCE CLINICAL PRACTICE REGISTRY

The Perfect Tool to Streamline Your Practice!

The CareSource Clinical Practice Registry is an online tool available to health partners to identify and prioritize needed health care services, screening and tests for CareSource members. The Clinical Practice Registry is easy to access via the secure CareSource Provider Portal.

- **Identify gaps in care:** View preventive service history and easily identify Healthcare Effectiveness Data and Information Set (HEDIS®) gaps in care to discuss during appointments
- **Holistically address patient care:** Receive alerts when CareSource members need tests or screenings, review member appointment histories and view their prescriptions
- **Improve clinical outcomes:** Easily sort CareSource members into actionable groups for population management

The registry is color-coded, so you can easily identify areas of focus for your patients:

Green Service was rendered   **Yellow** Service needed

Red Service past due   **Grey** Not applicable

The registry includes information on but not limited to the following quality measures:

- Adult access
- Breast cancer screening
- Cervical cancer screening
- Colorectal cancer screening
- Chlamydia screening

- Diabetes
- Emergency room visits
- Lead screening
- Well-care visit
