Notice Date: August 9, 2022
To: Ohio Marketplace Providers
From: CareSource
Subject: CareSource and Cincinnati Children's Partnership Update

Summary

This notification is to provide an update to a letter we recently sent to our provider network concerning the termination of Cincinnati Children's Hospital from the CareSource marketplace provider network.

CareSource is excited to share that on July 30, 2022, CareSource and Cincinnati Children's Hospital came to a mutual agreement to continue Cincinnati Children's Hospital's participation in CareSource marketplace plans, ensuring they will continue to be an available participating provider to our members.

The partnership renewal was announced in a [media release](#).

Impact

Since we came to an agreement prior to their termination, there will be no gaps in coverage for the services our members receive from Cincinnati Children's Hospital. Our members can continue to seek care at Cincinnati Children's Hospital or any other participating hospitals with CareSource.
