

NETWORK *Notification*

Notice Date: May 23, 2022
To: Ohio Medicaid Providers
From: CareSource
Subject: Lactation Consultants and Services
Effective Date: January 1, 2022

Summary

As of Jan. 1, 2022, Maternal and Infant Support Program (MISP) term for program changes that provide additional support to moms and babies have included the coverage of Lactation consultants and services, including DME updates.

Impact

- Physicians, physician assistants and advanced practice registered nurses currently bill for lactation services with an Evaluation and Management (E&M) code.
- Added S9443 as a code for outpatient hospital setting billing grouped under EAPG 428 when billed alone
- Dietitians may provide lactation consulting services in accordance with 5160-8-41.
- Modified breast pump coverage to cover more supplies, accessories and frequent replacement
- Working on making the process of getting breastfeeding resources covered by Medicaid easier and more transparent, in partnership with ODH/WIC, OHA and the MCPs
- Future work includes adding provider specialty for other licensed providers and RNs to bill for S9443 when IBCLC certified.
